FRIENDS OF
SAFFRON
WALDEN
PARISH CHURCH

The Society

The Society was founded in 1933 to provide funds for the maintenance of the fabric of the Church and for carrying out improvements and adornments.

The Society is a registered Charity and is administered by the Chairman, Hon Secretary and Hon Treasurer and twelve committee members with the Rector as President.

The membership includes parishioners and other supporters, residents of Saffron Walden and many from further afield.

Becoming a member helps to ensure that our work can continue under the guidance of the committee of the Society. All are welcome and an application form is attached to this leaflet. Please consider Gift Aid if applicable.

The Work of the Friends of the Church

A Church has stood on this site for 800 years. It was rebuilt 500 years ago under the supervision of John Wastell, master mason for King's College Chapel, Cambridge, and externally, apart from the spire, has remained unchanged. Internally, over the years, many of the original tombs, chapels, pews and colouring have been removed and Victorian stained glass and the re-erected Chancel Screen and the Rood have had a great effect on the interior. Whilst the Friends have been responsible for many practical schemes such as the inner doors of the West Porch and the voice reinforcement system they have also striven to bring colour and beauty to the Church. The work continues with the provision of embroidered kneelers and colourful banners. In 1998 the Friends were responsible for the creation of the Chapel of Remembrance and during the Major Building Project within the church in 2017/18 the Friends have funded the Welcome Furniture at the West Door entrance.

Our work goes on through the twenty-first century aiming always to ensure that schemes blend happily with the spirit of the building. Please will you help us to continue this work and join us?

I wish to join the Friends of Saffron Walden Parish Church and enclose my annual subscription of £_____ (suggested minimum £5 single, £8 family).
