A18/5. Report on changes to the Electoral Roll since the previous annual meeting.

Gillian Lovegrove, Electoral Roll Officer, reported that the statutory notice advising the parish of the revision of the electoral roll was posted in St Mary's, St James and St John's on 18th March 2018 with completed forms to be returned by 31st March 2018 and the amended roll was subsequently displayed.

Through the year we have lost from the electoral roll 10 people who have died and 13 resignations. However, we are pleased to welcome another 16 people onto the roll. On 31st March 2018 the total on the electoral was 420, as follows:

St Mary's Saffron Walden	resident	296
	non-resident	38
St James' Swards End	resident	43
	non-resident	8
St John's Little Walden	resident	32
	non-resident	3
Total		420 (previously 427)

Thanks were expressed to Gill for maintaining the roll and appreciation for all her work as Electoral Roll Officer a role from which she is now stepping down.

A18/6. Annual report on the proceedings of the Parochial Church Council (PCC).

The report issued prior to the meeting was taken as read and the report was accepted with thanks.

A18/7. Financial statements of the PCC for the year ending 31st December 2017.

David Birchall, Treasurer, highlighted elements of the accounts which had been scrutinised by the Finance Committee, examined by Peters, Elworthy & Moore (PEM), approved by the PCC and made available before the meeting. While the accounts show a £116k net decrease of funds, 2017 was actually another good year:

- Unrestricted Funds, decreased by £39k, of which £38k was actually a transfer of surplus reserves from the General Fund to the Buildings Development Fund. The surplus arose because the Christmas fair raised more than we expected, stewardship / planned giving exceeded budget, donations received at 2 memorial services were very generous, the tenants in De Vigier Avenue extended their contact, Christmas collections were huge and the Good Lord continues to look after us.
- Restricted Funds decreased by £77k virtually all due to the cost of the on-going buildings development work. With the help of a £20k legacy, grants amounting to £48k in 2017 and the £25k grant from Friends of Essex Churches a few weeks ago, we are reasonably confident that we can cover all our costs up to the end of the current phase.

Full details are shown in the financial statements. There being no questions David thanked Jenny Cottam to applause for the huge amount of work she does keeping the financial records up to date.

The Rector thanked David, Jenny and the Finance Committee for working hard and successfully throughout the year on the immense task of looking after our finances.

A18/18. Fulfilling our vision – Rector

The Rector began by expressing appreciation of the commitment and encouragement of ordained colleagues across the Team, especially to his wife Jenny for her love and support. We look forward to the arrival of Alex, our new team vicar, who will be another excellent colleague. Last year we reported that Michael Swindlehurst was withdrawing from public ministry on health grounds and this year we miss him and acknowledge his long, rich mission. Thanks to Anona for all her years as a verger as she retires this year. Rachel is a joy to have around; her pastoral heart, preaching teaching and ministry are greatly valued. It is great that we persuaded John to return after his placement, he brings a rich experience and lots of wisdom. Rachel's and John's upcoming ordination as priests will be here on the 29th of September (an excited buzz in the church). Thanks to all the retired clergy particularly Derek Bond for his witness in difficult circumstances. Thanks to the licensed lay ministers for Tracy for all she's bringing with her work with people with learning difficulties and for Marisa's pastoral and teaching ministry. Thanks to Jill, an amazingly efficient and supportive secretary, to Judith for immense commitment as pastoral assistant, team coordinator and in many other ways. Thanks to Oli and Matt who the Rector loves working with. The team are fantastic and it's a great privilege to lead the parish.

The Rector made comments on our life together:

The Deanery is an increasingly important arena for our mission and ministry as we look at encouraging shared resources, such as the new buildings officer, encouraging service and ministry, encouraging children and young people and encouraging evangelism. There will shortly be four Thy Kingdom Come prayer evenings between Ascension and Pentecost focusing on praying for people to come to faith and reaching

out with the Good News of Jesus. Allied to this the churches in the Deanery will be having an Evangelism Sunday and in September our Parish Assistant, Charles will join us to work alongside Matt, to support mission and to think about new housing developments. A confirmation service will be held at Christ the King. The Buildings Project can sometimes feel like a slog; lots has been done and we are moving to the next phase – if we pray and give we can rise to the challenge. The Parish Weekend is coming up, part of looking to collaborate beyond our boundaries. We celebrate the Eucharist so we can give thank to God. God loves us! Let's be filled with gratitude to God and look forward with hope!

A18/19. Vote of thanks – Pam Russell

Pam thanked everyone for her lovely flowers, which we knew she would appreciate. This was her final duty as churchwarden and tissues were available! Pam thanked Steve Hasler (Batman!) for his help and support when she began her role and Denis more recently. Her thanks and best wishes also go to Gill as our new churchwarden. Thanks for David's outstanding spiritual and pastoral care; we are truly blessed by his tireless work for us the sheep. Although if he ever wants to give up the day job he can join the flower team! (Applause!!)

David responded and wondered if Steve is Batman who that made him?! It is an immense privilege to have such a vibrant community to lead. When he began journeying he thought the destination was the important thing, then he thought it was about the scenery but now he thinks its about the people you journey with.
